About this collection

The legislation in this collection has been reproduced as it was originally printed in the Government Gazette, with improved formatting and with minor typographical errors corrected. All amendments have been applied directly to the text and annotated. A scan of the original gazette of each piece of legislation (including amendments) is available for reference.

*[The publication date of this work could not be ascertained. We used the date 31
December 2004 because the work was published during the course of the year 2004.]*

The Pan-African Parliament,

- a) **Having considered** the NEPAD Initiative and **noting** that the Projects emanating from this initiative have all not been finalized;
- b) **Taking into consideration** the need to accelerate the finalisation of such projects;
- c) **Requests** the NEPAD Secretariat to work with the Co-ordinating countries for the finalisation of the short, medium and long-term projects with their feasibility studies for submission to development partners so as to formulate a plan for their early funding and implementation;
- d) **Emphasises** the need to look for sources of funding of the feasibility studies on these projects.
