About this collection

The legislation in this collection has been reproduced as it was originally printed in the Government Gazette, with improved formatting and with minor typographical errors corrected. All amendments have been applied directly to the text and annotated. A scan of the original gazette of each piece of legislation (including amendments) is available for reference.

African Union

Malaria, Tuberculosis and HIV/AIDS

Published on 12 May 2006

Commenced

[This is the version of this document from 12 May 2006.]

The Pan African Parliament, (PAP):

CONSIDERING that, Malaria, Tuberculosis and HIV/AIDS remain the major killer diseases on the African Continent;

AWARE that, these diseases pose a major threat to the national and continental socio-economic-political development, peace and security;

FULLY SUPPORTING the Abuja Declaration for the accelerated action towards eradication of Malaria, Tuberculosis and HIV/AIDS.

HEREBY RECOMMEND, THAT:

The Member States of the AU should introduce legislation in their National Parliaments as well as mechanisms for monitoring the control of Malaria, Tuberculosis and HIV/AIDS.
