That the Pan-African Parliament Resolves:

3. To place on the Agenda of the Pan-African Parliament the Resolution calling on the ACP Parliamentary Assembly, the Pan-African Parliament and other regional and sub-regional parliaments in the ACP to promote and immediately institute exchanges of information and exemplary practice on cooperation strategies/initiatives with a view to strengthening the role of parliaments;

To support the proposal that regional meetings be set up within the ACP-EU Joint Parliamentary Assembly to provide appropriate frameworks for developing exchange of information on best practices with a view to strengthening the role of parliaments;

5. To support the call for national parliaments to organize public hearings on the development cooperation policy choices within the ACP-EU partnership and on the implementation of aid and thus act as a two-way channel between the institutions and non-State actors as a whole.
6. To reiterate that strengthening the role of African Parliaments in fostering democracy and good governance through knowledge and information management will be a key institutional and political objective of the Pan-African Parliament;

8. To recognize that the multi-faceted assistance this plan will give to the Pan-African Parliament in particular will, in part, support the Strategic Plan of PAP in providing tools to enable its oversight capacity, support inter-parliamentary cooperation, collaboration and regional integration, assist in the development of access to information and the harmonization of legal and regulatory frameworks and develop an African Cooperative Parliamentary Portal;
9. To assure UNDESA of the cooperation the Pan-African Parliament in the implementation of this critically important Endeavour.
